

Make Shapes: Bk. 2: Mathematical Models (Paperback)

By Gerald Jenkins, Anne Wild

Tarquin Publications, United Kingdom, 1985. Paperback. Condition: New. None. Language: English. Brand new Book. Children love making these beautiful shapes which are such fun to decorate. Each model is printed on crisp white paper ready to cut out and glue together. There are at least 12 hours of enjoyment in each book and the finished models make a fine collection. There are plenty of suggestions and ideas for colouring and decoration. A fantastic way to extend 3D geometry for children - at home or in class. Makes an excellent gift or prize! The sister book, Make Shapes 1 contains slightly less complex models.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
